

ARMIGARD®

ORAL APPLIANCE SOLUTION

ArmiGard® kills bacteria found on aligners, retainers, mouth guards, sleep apnea devices, removable braces, implant overdentures, dentures, and all other oral appliances.

Key benefits:

FAST – Spray. Wait 3 Minutes. Rinse.

SAFE – No harsh chemicals. Non-toxic. No residue. Eco-Friendly.

EFFICIENT – Kills 99.999% of odor-causing bacteria on all oral appliances.

ArmiGard® is the First of its Kind – Hydrogen Peroxide & Peracetic Acid in a Ready-to-Use Spray Bottle

Evidence-based:

- Independent, 3rd Party Laboratories
- 27 Biological Efficacy Studies
- 19 Safety Studies

Our Goal is to achieve the most effective Microbe elimination and earn the safest, most Eco-Friendly ratings from the EPA and the FDA.
